SMART MOVES

A JIT Workshop Series

Lunch. Learning. Forklift Strategy.

Topic: It's More than the Purchase Price

RSVP Today!

Learn the true cost of forklift ownership

We're breaking down the real cost of owning a forklift—and showing you how to know when it's time to replace aging equipment. This is the kind of insight that pays for itself. We'll show you:

- How to calculate the true cost of a forklift over its lifetime
- When to repair, replace, or retire aging equipment
- Why low purchase price doesn't always mean long-term value

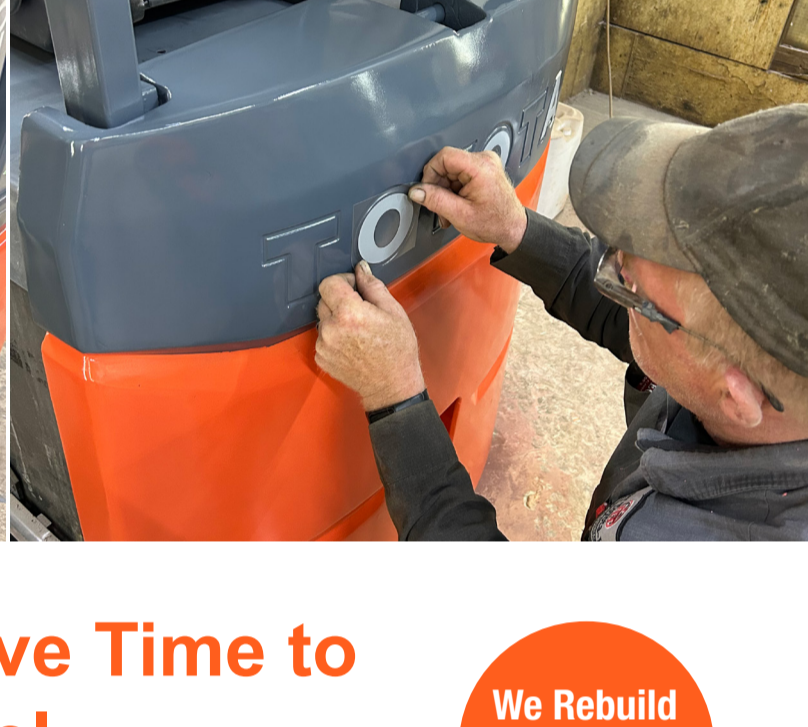

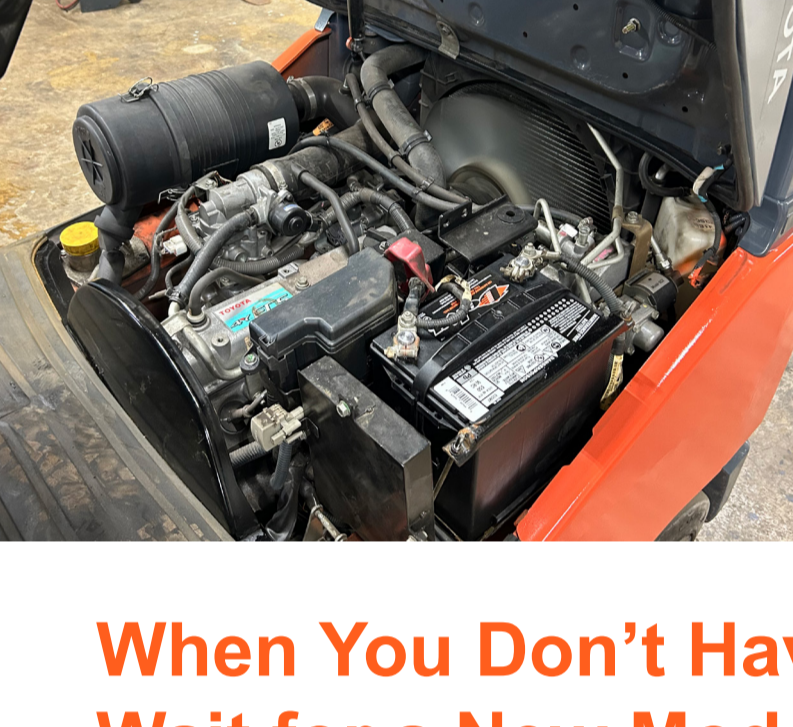

Our Smart Moves Workshops are free, in-person events that take place in a hands-on setting with a complimentary lunch. Spots are limited, so RSVP today!

When: Thursday, August 21, 2025
12:00 pm – 1:30 pm

Where: Our Buffalo location
25 Boxwood Lane
Cheektowaga, NY 14227 [Map It](#)

When You Don't Have Time to Wait for a New Model

We Rebuild Competitors' Machines!

Choose a full forklift rebuild by JIT Toyota-Lift

Less downtime – We overhaul and rebuild your machine fast, so you can get back to work quickly without delaying for an order to come in.

More savings – Our team returns your forklift refurbished, with a 120-day warranty on parts and labor (1 full year on Toyota parts).

ANY make or model – No matter what brand your forklift is, we'll make it perform and look like it's fresh out of the factory.

Schedule a Rebuild

When to Rebuild vs Buy a New Truck?

Maximize the Lifting Power of Your Forklifts

Schedule hydraulic service today

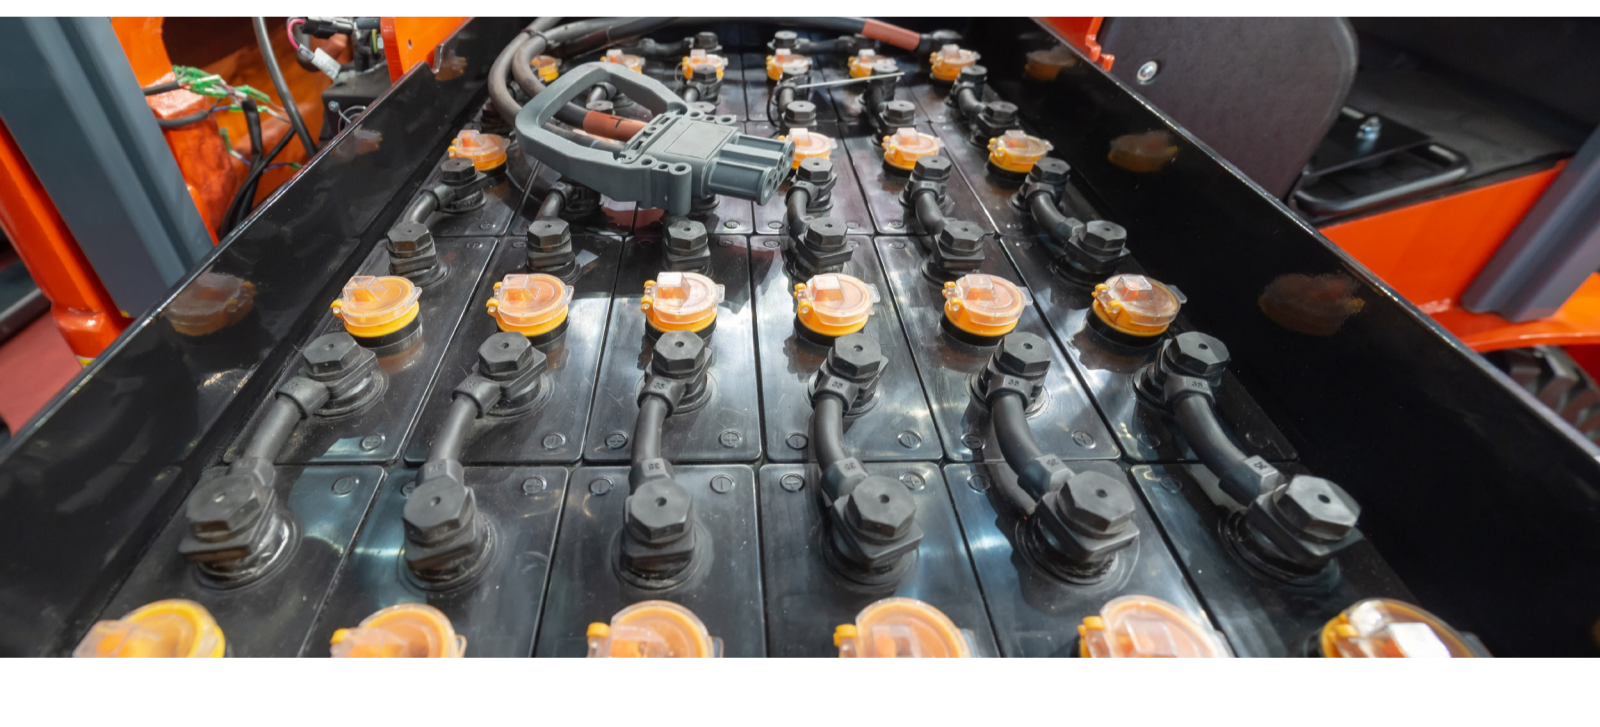

The hydraulic system is critical for effective operation of your machine. Our team will inspect and replace or repair all components, including:

- Fluids
- Filters
- Hoses
- Hydraulic pumps
- Cylinders
- Valves
- Seals

We'll also test the system pressure and lift and tilt functions to ensure your machine is operating at its best.
