

Maximize Your Efficiency, Minimize Your Taxes

When you buy a Toyota 8BPUE15 order picker and take advantage of Section 179

Perfect for stocking shelves and grabbing products in fulfillment centers and distribution facilities, the 8BPUE15 easily maneuvers in narrow aisles and lifts operators to 240". Plus, move quickly around your warehouse because of Lift Logic technology, which optimizes travel speed at various lift heights.

Remove the Headaches from Pre-Shift Inspections and Compliance

If you run forklifts, you need the JIT Connect app

Bridging the gap between paper forms and expensive telematics, JIT Connect provides digital checklists, maintenance alerts, OSHA-ready reporting, and more. It helps you:

- Create consistent, measurable operator inspection habits
- Easily identify safety and repair issues
- Quickly find inspection records for OSHA or insurance audits
- Ensure operator training certificates are up to date
