

## Two 8FGCU25 Forklifts in Stock!

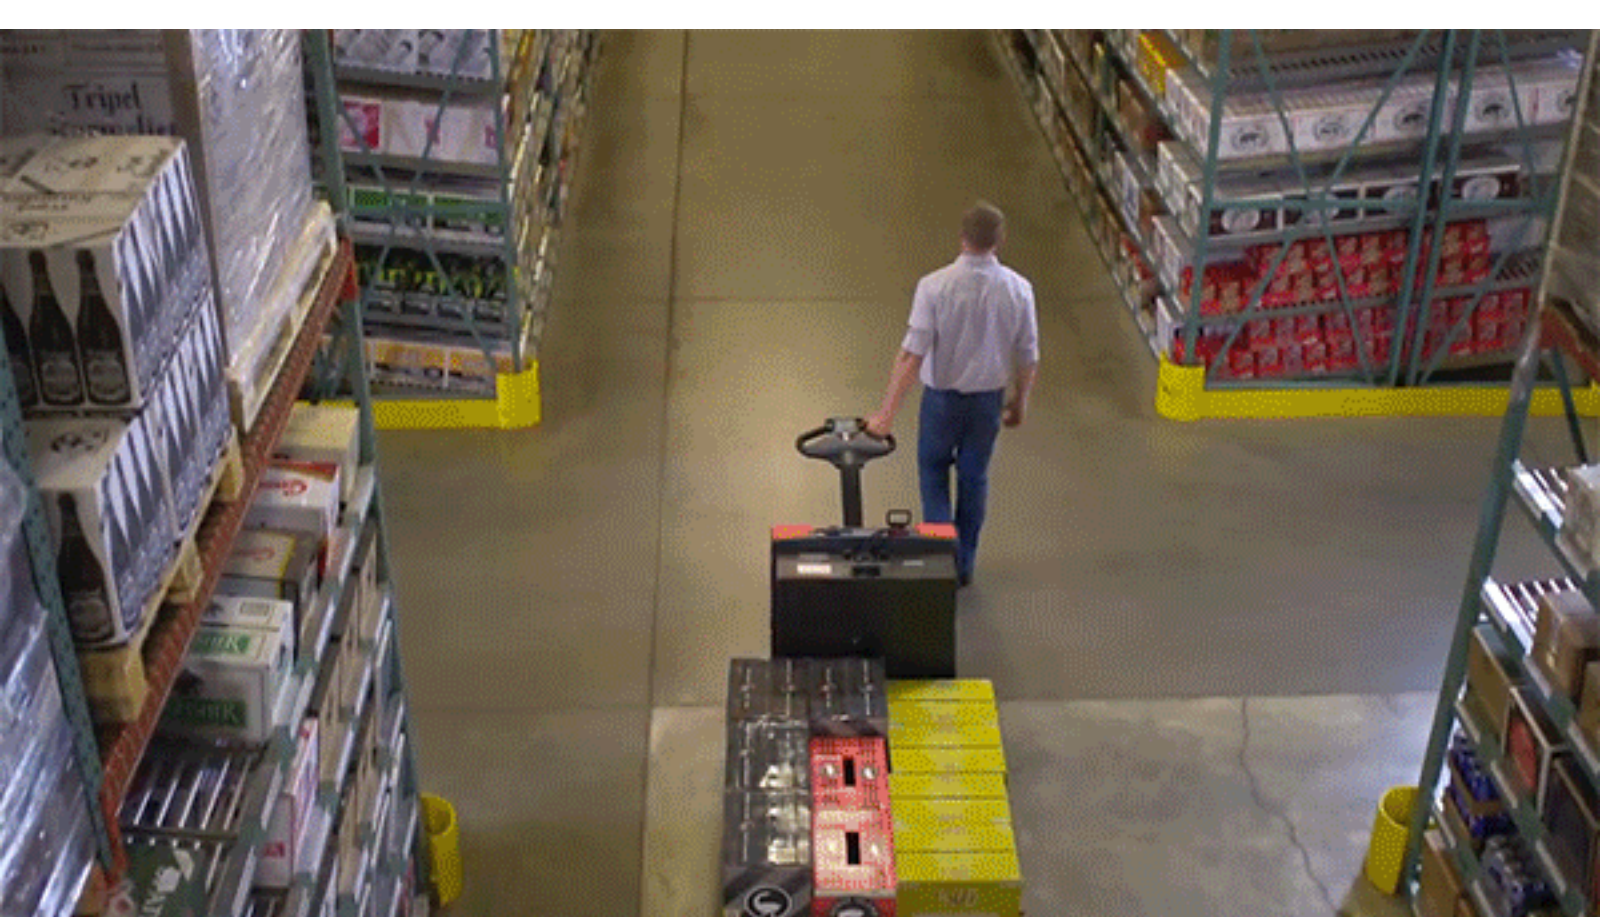

**Very low hours. Dealer maintained. Late models.**

Fresh off leases, these forklifts are in excellent condition and are perfect for big jobs, carrying 5,000 lb. Plus, avoid dangerous situations with their Active Mast Control that limits forward tilt when the load weight is unstable.

- Cushion tires
- 6000 hours or fewer
- Integrated safety equipment
- Side shift
- 189" triple stage mast
- Maintained by JIT Toyota-Lift

## Today Is National Clean Your Floors Day!

**Tennant and  
Advance  
Equipment  
Available!**

**Use it as your cue to choose a scrubber that works as hard as you do**

**First impression, every time:** Visitors judge facilities by the floor. Tennant and Advance keep it spotless with minimal labor.

**One pass, clean and dry:** Sweeper-scrubbers tackle debris and grime in a single sweep, saving you time and reducing costs.

**A fit for every aisle:** From compact walk-behinds to fully autonomous robotic scrubbers, the right machine matches your space and shift.

**JIT Toyota-Lift is your partner for floor cleaning equipment, parts, and service!**
