

Move More Pallets for Less

The Tora-Max® 2TWB33 Electric Walkie Pallet Jack is perfect for tight spaces where ergonomics is a priority

Compact and reliable, the 2TWB33 can maneuver in tight spaces and is perfect for restocking shelves on sales floors, handling pallet loads in stockrooms, and working in crowded areas.

Only
\$3,199!

Transport a variety of loads because of its 3,300 lb capacity.

Fit in narrow aisles with an overall width of only 27".

Travel quickly at a top speed of 2.8 MPH.

Maximize flexibility through its cartridge-style battery that can be charged inside or outside the machine.
