PACK MULE TOWABLE CARTS

HEAVY DUTY QUAD STEER **DOUBLE PALLET CART**

THE PACK MULE DIFFERENCE

In order to make the best towable carts in the industry, we look at the competition to make sure ours is built better. Here are a few of the features you get with a Pack Mule towable cart that you can't get with others.

RUGGED CONSTRUCTION

The industry's only deck formed from a single sheet of 12-gauge steel. Others use lighter-weight steel and welded decks.

FLEXIBLE CONFIGURATION

Order the accessories you need now, or add them when your needs change.

PACK MULE SERVICE

We promise to make it easy to order the towable cart you need and get it in half the time of others. Sometimes sooner.

THE INDUSTRY'S BEST WARRANTY

Pack Mule offers the only three-year warranty in the business, just like on our electric vehicles.

SPECIFICATIONS

SIZE	PAYLOAD CAPACITY
48" x 96"	4,000 LBS
52" x 100"	4,000 LBS
48" x 120"	3,000 LBS
